WHAT'S THE USE?

Men are apt to fret and worry.
But what's the use?
If they're late they often hurry.
But what's the use?
Just to keep the business boomers.
Men do a lot of things inhuman—
They even argue with a woman;
But what's the use?

KEYSTONE COMMERCIAL CO.

To Rebuild—Business Now Quarter of Million Annually

There is a probability that the Keystone Commercial Company will, at no late date, erect a handsome and commodious three story building on their present site, corner of Sutton and Third streets. The structure will be 61x140 feet, covering the entire ground space they now own. The business has outgrown their present quarters, hence the necessity of more room. Very few have an idea of the immensity of this company's business, which last year amounted to \$250,000, quite a considerable sum.

Just imagine the quantity of butter, eggs, poultry and other country produce that amount of money will buy.

THE Thaw trial without EVELYN in the witness box is about as weary as a twice told tale. The trial of the Hargises at Jackson is now dividing attention with the Thaw family. All bad eggs.

According to the annual report of the New York Savings Banks the number of depositors is now 2,753,295, and the total of their deposits is over \$1,400,000,000, an amount greater than the bonded debt of the United States.

"CIRCULAR insanity," the up-to-date kind invented by attorney Jaw-rome, must be of the sort where one has "wheels in the head." Maybe "the learned Distract Attorney" himself, is suffering with this malady. Or, is his simply a case of "exaggerated ego?"

INCREASES in the salaries of postal employees amounting to about \$9,000,000 are contained in the Postoffice appropriation bill, which has been signed by the President. Postal employees are about the hardest worked of all Government officials, but it appears that Congress was rather late finding it out.

COMMISSIONER JO. BLACKBURN of the Isthmian Canal Commission will leave for Panama in about two weeks. He expects to remain there for at least six months in charge of the civilian work connected with the canal. All his Kentucky friends believe that Mr. BLACKBURN will make things hum when he gets to Panama and he will conscientiously perform his duty.

THIS is too bad! Mrs. MARY BAKER EDDY is to be haled before Court and her mental status probed as to her alleged incapacity for transacting her financial affairs. It is expected that the public will be edified and surprised at the result of the investigation. Mrs. EDDY has thus far ignored the Court's summons.

SENATOR "MEE-TOO" PLATT, of New York, a one time National leader in politics, follows EVELYN THAW and JOE BAILEY in the lime light. The old fellow is now a shuffling paralytic, has just separated from his wife and now another one of his old flames, a Miss MAE WOOD, appears and is suing him for divorce, claiming to be his wife and names 16 co-respondents. The gay old boy is also a bigamist if MAE's charges are true.

BISHOP WOODCOCK, of the Diocese of Kentucky, declared in a sermon delivered at Cleveland, "that the richest citizen of Cleveland (JOHN D. ROCKEFELLER) is a pauper, if he has no real character." "Ill-gotten gains," he declared, "are damnable. Men who cheat and crush out fair competition will have a long time to think things over after death." On the other hand, General WILLIAM BOOTH, the head of the Salvation Army, says that no money is tainted money to him, and that all cash looks alike to him when it is to be used for the betterment of human conditions and the evangelization of the world. And there you are.

TWO JOHNS.

"Life is a queer game," mused the ancient sport. "As to how in particular?" inquired the other half of the sketch. "John L. Sullivan is applauded because he gave away possibly \$20,000, and here John D. Rockefeller hands out \$32,000,000 in one clip without getting the ghost of a hand."

NATURE PROVIDES FOR SICK WOMEN

a more potent remedy in the roots and herbs of the field than was ever produced from drugs.

In the good old-fashioned days of our grandmothers few drugs were used in medicines and Lydia E. Pinkham, of Lynn, Mass., in her study of roots and herbs and their power over disease discovered and gave to the women of the world a remedy for their peculiar ills more potent and efficacious than any combination of drugs.

Lydia E. Pinkham's Vegetable Compound

is an honest, tried and true remedy of unquestionable therapeutic value. During its record of more than thirty years, its long list of actual cures of those serious ills peculiar to women, entitles Lydia E. Pinkham's Vegetable Compound to the respect and confidence of every fair minded person and every thinking woman.

When women are troubled with irregular or painful functions, weakness, displacements, ulceration or inflammation, backache, flatulency, general debility, indigestion or nervous prostration, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound.

No other remedy in the country has such a record of cures of female ills, and thousands of women residing in every part of the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable compound and what it has done for them.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. For twenty-five years she has been advising sick women free of charge. She is the daughter-in-law of Lydia E. Pinkham and as her assistant for years before her decease advised under her immediate direction. Address, Lynn, Mass.

RELIABLE INFORMATION

About a Reliable Medicine

We want the people of Maysville to know that we believe the most valuable cod liver preparation—the best tonic, reconstructer, health restorer and strength creator known to medicine today is Vinol.

Vinol is not a patent medicine as everything it contains is named on the label of every bottle. We guarantee Vinol contains besides tonic iron all of the medicinal, curative and body building elements of cod liver oil actually taken from fresh cods' livers, but without a drop of the useless oil to clog the system, upset the stomach and retard its work. This is why Vinol is so far superior to old-fashioned cod liver oil and emulsions.

Vinol is actually guaranteed by over five thousand leading druggists of the United States to create health and strength for old people, weak, sickly women and children, nursing mothers, and after a severe sickness, and for hacking coughs, chronic colds, bronchitis and all throat and lung troubles.

Try Vinol on our guarantee.

JOHN C. PECOR, Druggist.

NOTE—While we are sole agents for Vinol in Maysville, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

Dr. Baker's Interesting Meeting at M. E. Church

"Grace" was the subject treated by Dr. Baker in his sermon at the Third Street M. E. Church last evening.

He magnified the "Grace of God" which even before we become Christians enables us to discern right from wrong, and when we accept Christ this grace enables us to live a righteous life in this world overcoming the bondage to sin. Services today at 2:30 and 7:15 p. m.

ENORMOUS BUSINESS

Handled By Agent Wikoff at Maysville For C. and O.

That Colonel W. W. Wikoff, the efficient and accommodating C. and O. Agent at this point, has little time to play checkers may be gathered from the amount of business transacted here in the past six days and a half.

There were 89 car loads received and no loaded on the various sidings for Maysville merchants, and in addition, 38 cars of merchandise were unloaded at the freight house and 27 loaded out. There were 25 cars of fuel received for docks, and 105 car loads of freight forwarded East and West of this city; making a total of 284 cars handled in less than seven days.

If you think there is any loading going on in or about the freight department of the C. and O. in the West End, just ask Colonel Wikoff's genial assistant, Captain Tuce Willett, and he will enlighten you on the subject.

William Andrew Forman died several days ago at his home on Ginger Ridge, near Manchester, aged 70 years. He leaves a wife and six children—William H., John G., Snowden C., Lewis J., Miss Mollie and Miss Amanda Forman, all of whom were born in this county.

The Yellow Ribbon Fair Company of Aberdeen has been incorporated and capitalized at \$2,500. The officers are J. P. Purdon, President; C. W. Gardner, Vice President; B. W. Rist, Secretary; D. A. Fawcett, Treasurer; J. P. Purdon, Dr. G. E. Neal, L. R. Campbell, Executive Committee.

The Mayor was empowered to procure a floral tribute as a token of respect from the city officials and that Council attend the funeral of the deceased Counselor in a body.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free: F. J. CHENEY & CO., Toledo, O.

Danderine

GREW MISS LEWIS' HAIR

AND WE CAN

PROVE IT

The Great Danderine Never Fails to Produce the Desired Results

MISS Lewis' hair was very thin and it was less than two feet in length when she began using Danderine. She says her hair and scalp are now fairly teeming with new life and vigor.

That's the main secret of this great remedy's success as a hair grower. It enlivens, invigorates and fairly electrifies the hair glands and tissues of the scalp, causing unusual and unheard-of activity on the part of these two most important organs, resulting in a strenuous and continuous growth of the hair.

The following is a reproduction of Miss Lewis' last letter:

January 3, 1905.

Dear Doctor Knowlton:—

You know I told you in my first letter that my hair would not reach much below my shoulders, and that all of it together only made one tiny braid.

I am sending you my photograph, which I had taken at Stevens Bros. It tells the whole story better than I can tell it.

Everybody I know is using Danderine, so you see I am doing something to show my appreciation.

Sincerely yours, (Miss) EVA LEWIS.

Danderine makes the scalp healthy and fertile and keeps it so. It is the greatest scalp fertilizer and therefore the greatest hair-producing remedy the world has ever known. It is a natural food and a wholesome medicine for both the hair and scalp. Even a 25c bottle of it will put more genuine life in your hair than a gallon of any other hair tonic ever made. It shows results from the very start.

NOW at all druggists in three sizes, 25 cents, 50 cents and \$1. per bottle
FREE. To show how quickly Danderine acts we will send a large sample free by return mail to any one who sends this advertisement to the Knowlton Danderine Co., Chicago, with their name and address and 10 cents in silver or stamps to pay postage.

FOXPORT.

Everybody is on the move.
Mrs. George Thomas and son, Yantis, visited
relatives at Vanceburg recently.
Miss Della Thomas and brother are visiting
their sisters at Vanceburg this week.
The Misses Martin have returned from a
pleasant visit to relatives at Springdale.
John Carpenter's new house is nearing com-
pletion. He will go to housekeeping soon.
We learn there is to be another surprise
wedding in this neighborhood soon. Guess who
it is?
Ross Ackley, one of our old soldiers, has
been quite poorly for some time with pneu-
monia fever.
Mrs. Lula Bowman, who has been spending
the winter with her parents at Lancaster, has
returned home.
Masters Cecil and Russell Million have been
spending a couple of weeks with relatives near
Bowman Springs.
Quite a number of people from this locality
attended the sale of Edward Collins at God-
dard, the 26th ult.
We learn that Andrew Ham, Fawcett Gilkin-
son and Alonzo Doyle will take Horace Greer-
ley's advice and "go West," Monday.
John Kegley of Lexington, who has been
visiting his father, and sister, Mrs. Henry
Lightner, of this place, has returned home.

George Reynolds has moved into his new
house on Will Poynter's place. Arthur Luman
of Wallingford will move into the house vacated
by George.

La grippe has struck this vicinity and there
is scarcely a family but what has from one to
two cases and in most instances the entire
families are confined to their beds.

P. F. Martin has about completed his new
house at Pleasantville. It will be a great ad-
dition to our little village. It seems as
though Foxport is building up in dwelling
houses quite rapidly. Let the good work go
on.

Sam Million is moving to M. T. Doyle's place
at Goddard. Sam has got part of his house-
hold goods moved and is now down sick with
grip, also one of his little sons, so it is doubt-
ful if his family will leave for some time, or at
least until they recover.

Died, at the home of his daughter, Mrs.
Allan Dillion, Rev. Tommie Miller, aged about
95 years. Interment at this place. His wife
died a few months ago. He leaves several
children, grandchildren and great-grandchil-
dren to mourn his departure.

The bus from this place to Maysville is
quite an addition to our little city, as one can
go to Maysville and not be bothered with a
team and can come back at will. This great
help is due to the thoughtfulness of our enter-
prising merchant, J. L. Markwell.

Did our Mt. Olivet correspondent get scared
on that one attempt? Come again, also
Bloody Run, Mt. Gilead and all the rest. Come
bring some interesting items for our paper.
And via—what has become of Epworth? We
used to hear from there occasionally. Get
busy.

FEARIS.

Snow No. 8 fell here Monday night.
The grip is still keeping some people housed
up.
William Sullivan gets an increase of pension
from \$12 to \$14 per month.
Our old comrade Thos. F. Guthrie has sold
out and will move to Manchester where he has
bought property.
The public sale of Miss M. D. Barkley was
called off, by reason of the parties who bought
her place failing to come forward and pay the
money.
All signs of Spring show out one day but
bustle back the next for squalls and snow
blizzards. The crow, robin, blue-bird and peo-
wees are reminded that winter is still in the air.
Mrs. Catharine Adams of near McKenzie,
aged about 75 years, died last week of heart
trouble. She was the widow of S. B. Adams,
ex-school teacher and justice of the peace in
the 70s and 80s.
There are plenty of blanks at the Postoffice
to apply under the new service pension. A
pension attorney who charges an old soldier
\$5 for filling out a blank can be debarred from
practicing before the Pension Department.

Changeable weather knocks the farmers out
from plowing and sowing tobacco seed.

The R. F. D. and other mail delivery are
now being talked up over the bill and up the
meanderings of Opossum Run and Goose creek
and over the Chalk Ridge via Bellzebub and
Hald Knob, leaving the people out who read
and take a daily paper in many places.

MASON HEIGHTS.

week's visit with her grandfather at Mt.
Gilead.

the funeral of Mrs. E. H. Bryant at Maysville
last Monday.

from Fayette county came down last week and

cheered their grandparents, Mr. and Mrs. Steve

HOUSEHOLD CARES

Tax the Women of Maysville the Same
as Elsewhere.

Hard to attend to household duties
With a constantly aching back.
A woman should not have a bad back.
And she wouldn't if the kidneys were well.
Doan's Kidney Pills make well kidneys
Here is a Maysville woman who endorses this
claim:
Mrs. Lizzie Bridges, of 206 West Third street,
Maysville, Ky., says:
In March, 1900, I gave a testimonial recom-
mending Doan's Kidney Pills and in it I told
how I learned the great value of this remedy.
I had been troubled with a bad back and weak
kidneys from girlhood and in my efforts to find
a cure tried every medicine I could find but
without benefit until I began using Doan's Kid-
ney Pills. They proved just the remedy I needed.
They went right to the cause of the trouble and
as a result brought relief that led me to testify
in their favor. I have never been without
Doan's Kidney Pills in the house since. Every
spring I take a box whether symptoms of kid-
ney trouble are apparent or not, and in this way
keep the kidneys in good condition and guard
against attacks of my old trouble.

For sale by all dealers. Price 50 cents a box.

other.
